Chaitanya CTF 2026

Official Competition Rules & Guidelines

Event Type:

Team Cybersecurity Contest (Open Worldwide)

Team Size & Eligibility:

Up to 4 Members per Team (1 Team Captain) | Min Age: 13+ Years

Description:

Chaitanya CTF 2026 is an online Capture The Flag cybersecurity competition featuring jeopardy-style challenges. Teams analyze software, web services, and cryptographic systems to uncover vulnerabilities, capture hidden flags, and compete on a live dynamic scoreboard. Participants under 18 must have parent/guardian consent.

Challenge Structure & Dynamic Scoring:

- Categories: At least 30 challenges across Web Exploitation, Cryptography, Binary Exploitation (Pwn), Reverse Engineering, and Miscellaneous (Misc).
- Difficulty: Features beginner-friendly, medium, and hard difficulty challenges.
- Flag Syntax: Standard format is `HPTU{[0-9a-zA-Z_-]+.!?]}` (Example: `HPTU{some_l33t_string_l1k3_7hi5_}`).
- Dynamic Scoring: Challenge point values decay dynamically from 500 down to 50 points based on total team solves.
- Fair Play: Flags must be obtained through legitimate completion. Brute-forcing the scoreboard or exploiting platform vulnerabilities is strictly forbidden.

Competition Rules & Infrastructure Boundaries:

- Off-Limits Targets: Attacking or attempting to breach any system outside official competition challenges is strictly prohibited. Off-limits targets include servers and infrastructure not affiliated with Chaitanya CTF.
- No Flag or Hint Sharing: Sharing flags, solutions, hints, or credentials with other teams is strictly barred.
- Automated Scanners & Scrapers: Running automatic scanners, brute-forcing flags, or exploiting unintended platform bugs is strictly prohibited.
- Single Identity: Each team may participate under only one name. Participants may not compete on more than one team. Account sharing outside explicit allowances is barred.
- Bug Bounty: Unintended bugs in the contest infrastructure may be reported to staff on Discord for potential rewards.

Prize Pool, Data Policy & Intellectual Property:

- Intellectual Property & Write-Ups: All challenges, infrastructure, and content remain the property of Chaitanya CTF. Submitted write-ups remain participant property, granting Chaitanya CTF a non-exclusive license for educational purposes.
- Privacy & Telemetry: Limited registration data (username, email) and game traffic/submissions may be logged for scoring, auditing, and platform security. Data will never be sold.

Code of Conduct & Unacceptable Behavior:

- Safe Environment: Participants are expected to remain respectful, patient, and constructive at all times.
- Prohibited Behavior: Sharing personal/sensitive information without consent, harassment, abuse, discriminatory conduct, or disruptive/unlawful activities.
- Disqualification: Knowing violations result in warnings or immediate disqualification and platform ban at staff discretion. Organizer decisions are final.
- Misconduct Reporting: Contact Discord moderators (@ishowapexx) or email jaganchapri@gmail.com. All reports remain strictly confidential.

Platform Terms, Warranty & Liability:

- Technical Setup: Participants are responsible for ensuring they maintain a stable internet connection. All challenges are accessed via the official platform.
- As-Is Services: The competition and services are provided "as-is" without warranty. Participation is at your own risk; organizers are not liable for incidental or consequential damages.
- Registration & Updates: Announcements and clarifications are posted on Discord/website. Registration remains open until the end of the competition.
