

Prompt Engineering Challenge

Official Rulebook - CHAITANYA 2026

Event Type:

Individual Participation | Open to all registered students and invited institutions with a valid college ID

Duration & Reporting:

Rounds 1–4: 60 Minutes | Final Round: 30 Minutes | Report at Venue (Lab 1 & 2): 30 minutes before start time

Description:

Individuals will solve four AI challenges in 60 minutes using free AI tools, then the top 5 individuals will play a Final round. Judges will score based on prompt quality, output quality, and efficiency.

Performance Rules & Regulations:

- **Competition Structure:** Participants will compete in four initial rounds (Data Dash, Prompt Fix, AI Game, and AI Image Generation). The top 5 participants will qualify for the Final "AI Story Teller" round. Coordinators may also announce a surprise "Twist card" constraint during any round.
- **Tools & Resources:** Only free and publicly available AI tools, APIs, and open-source models (e.g., ChatGPT free tier, Gemini, Claude free access) are allowed. Paid subscriptions or private models are prohibited unless provided to everyone. Participants must bring their own laptop; internet is provided.
- **General Rules:** All work must be created during the event; pre-built solutions are strictly forbidden. Each task allows a maximum of 5 prompt attempts. Browsing unrelated sites, using mobile phones, or sharing prompts with others is not allowed.
- **AI Disclosure (Mandatory):** Participants must submit an "AI Tool Stack" (a short list of the main tools used) at the end of every round, along with a Prompt log (screenshots/exports of chats) to verify originality. Failing to disclose tools may lead to disqualification.

Judging & Scoring Rubric:

- Round 1 (Data Dash - 15 Marks): Insights (10), speed and smart AI use (5).
- Round 2 (Prompt Fix - 10 Marks): Clarity of improved prompt (6), improvement in output (4).
- Round 3 (AI Game - 20 Marks): Functionality (10), creativity and UI (10).
- Round 4 (Image Generation - 20 Marks): Consistency (10), visual quality (10).
- Final (AI Story Teller - 35 Marks): Storytelling (20), visuals or audio (10), presentation (5).
- Bonus: Up to 5 extra marks awarded for creative prompts, fewer attempts, or fast submission.

Deductions & Tie-Breaking:

- Disqualifications: Participants may be disqualified for submitting pre-made work, copying, using paid/private tools without permission, failing to submit the AI Tool Stack, generating inappropriate/copyrighted content, or misbehavior.
- Tie-Breaker: Ties are resolved by fewer prompt attempts, followed by less time taken, and finally a short surprise question.
- Technical Issues: Lost work due to a participant's own device or account issue is not compensated. Organizers provide a backup hotspot, and time may be extended at the coordinators' discretion.

Code of Conduct & Awards:

- Code of Conduct: AI must be used ethically; no copyrighted, offensive, or unethical prompts. Participants must respect the lab, equipment, and coordinators. Any damage to equipment is the participant's responsibility.
- Authority: Decisions of the judges and coordinators are final and binding. Organizers may change rules or timings if needed, announced before the round.
- Prizes: Winner, Runner-up, and Second runner-up will receive prizes. Participation certificates will be awarded to all registered participants.
