Description:

Treasure Hunt is a team-based competitive event designed to evaluate participants' problem-solving ability, logical reasoning, teamwork, accuracy, and time-management skills. The event consists of two competitive rounds, and the final ranking will be determined on the basis of the combined performance of the participating teams across both rounds.

Round I – Task Challenge:

- Objective: Each team will be provided with a predefined list of tasks and must complete as many tasks as possible within the announced time limit.
- Task Execution: Teams will work independently and may attempt tasks in any order without reporting back after each individual task.
- Submission: Upon completing all possible tasks, or immediately when allotted time expires, teams must report to coordinators and submit their work.
- Finality: Once submitted, no further changes or additions to the submission will be permitted.

Round I Scoring:

- Scored based on the number of tasks successfully completed and submission time.
- Only tasks completed within the prescribed time limit will be considered.
- Additional bonus points may be awarded for early submission before the official time limit.

Round II – Riddle Challenge:

- Objective: Teams will receive a designated set of riddles and must solve as many as possible within the announced fixed time limit.
- Discussion: Team members may discuss and solve the riddles collectively. Teams do not need to verify answers after each individual riddle.
- Submission: Teams must report to event coordinators and submit their complete answer sheet immediately when time expires or upon completion.
- Validity: Points will be awarded only for correct and valid answers. No modifications to submitted answers are permitted.
- Assistance: Teams must not obtain assistance, clues, answers, or solutions from individuals outside their team. Organizers will specify beforehand whether external tools (mobile phones, internet, AI) are permitted.

Round II Scoring:

- Evaluated on the number of riddles solved correctly and the time taken to submit the final answer sheet.

Final Evaluation:

- Final Score Calculation: Final Score = Round I Score + Round II Score.
- Ranking: The team securing the highest overall combined score will be ranked first.
- Tie-Breaker: In the event of a tie, organizers may consider total submission time or conduct an additional tie-breaker challenge.

General Rules & Regulations:

- **Team Composition:** Each team must consist of a minimum of 3 and a maximum of 4 members.
- **Reporting Time:** All participants must report at the designated venue within the reporting time specified by the organizers.
- **Coordinator Directives:** Participants must comply with all instructions issued by the event coordinators and judges.
- **Non-Interference:** Teams must not interfere with the tasks, materials, clues, equipment, or activities of another team.
- **Integrity & Clue Sharing:** Sharing answers, clues, or solutions with another team is strictly prohibited unless expressly permitted.
- **Disqualification:** Any form of cheating, impersonation, deliberate interference, manipulation of submissions, or unfair practice may result in immediate disqualification.
- **Conduct:** Participants are responsible for maintaining discipline and appropriate conduct throughout the event.
- **Authority & Disputes:** The organizers reserve the right to modify the event procedure, timing, or scoring mechanism if circumstances require. Any dispute will be resolved by the event coordinators/judging panel, whose decision is final and binding.

Note: By participating in the event, all teams are deemed to have accepted and agreed to abide by the rules and regulations stated above.
